

METHLICK'S COVID-19 CARE PLAN

What if I have Covid symptoms:

- *Stay at home and let the school know.
- * If anyone became unwell at school they will be isolated and sent home immediately.
- *Get a Covid test.
- *Follow NHS guidance if you need to self isolate.
- *Let the school know the results and your next steps.

Covid symptoms

WHAT WE ARE DOING AT SCHOOL TO KEEP SAFE.

WE ARE :

WEARING MASKS, WASHING HANDS OFTEN AND KEEPING A 2M DISTANCE FROM EACH OTHER.

GETTING EXTRA CLEANING EVERY LUNCHTIME.

LIMITING THE NUMBER OF PEOPLE COMING INTO THE SCHOOL AND PLAYGROUND

TRACKING AND TRACING ANY NECESSARY VISITORS TO THE SCHOOL.

OUTDOOR FOR OUR LEARNING ACTIVITIES AS MUCH AS POSSIBLE.

KEEPING WINDOWS AND DOORS OPEN.

LIMITED THE ITEMS GOING FROM HOME TO SCHOOL.

WEEKLY UPDATES TO PARENTS TO KEEP EVERYONE INFORMED.

What happens if we get a positive case in school ?

Mrs Fraser will contact the Public Health NHS team who will guide us through our next steps.

Some people may have to self isolate to keep themselves and the school safe.

Mrs Fraser will keep everyone updated and any necessary home learning will be supported.

We will support each other and help keep each other safe.
