

P1 NEWSLETTER – Term 4 - Happy Easter!

It is incredible to think that this is the last term of P1, how time flies! P1 will be helping the nursery children to get ready for GREAT learning next session. They love responsibility and I think they will rise to the occasion as they create short videos and booklets to help the new P1s. Let's hope the weather allows us to learn outdoors as often as possible this term.

Ms Rossvoll

What was GREAT last term?

- **GROW** – Growing the children's understanding of fractions, equal parts and sharing items/numbers into equal amounts.
- **RESPECT** - The children beginning to learn about their rights and respectfully planning together throughout the term to make sure their views were included.
- **EXPERIENCE** - There was GREAT participation in the Duplo challenge, becoming Tiger Experts and raising enough money to adopt a tiger. Outdoor learning week, in particular woodwork, was also very much enjoyed by many.
- **ACHIEVE** – It was such an achievement for the class to receive a certificate for their enthusiastic participation in the Scots Poetry Competition. I was very pleased with the enthusiastic response to the home learning reading bags.
- **TOGETHER** - Caring for the birds in our school grounds and collecting information about them to help the RSPB .

	9 – 10.30 am	BREAK	10.45 am – 12.30pm	LUNCH	1.30 pm – 3.15 pm
Mon					
Tues					P.E (Mrs Flockton)

Thurs					Drama (Mrs Milne)
Fri	Fruit Friday House point				

Learning across the four contexts at Methlick School

Ms Rossvoll P1, Term 4 2021 2022

Opportunities for personal achievement

GROW my ability to observe, listen, ask questions, create, solve problems, persevere, and debug **TOGETHER** and on my own to **GROW** my learning and **ACHIEVE!**

EXPERIENCES. - Literacy, Numeracy, Health Week, Sports Day, learning to light fires, pour candles, weave fleece, use woodworking tools.

EXPERIENCE great pride in growing and eating my own food.

TOGETHER support the new P1s to be excited about playing and learning in school

ACHIEVE GREAT by earning House Points to help my School House win the House Cup for 2022.

The Curriculum
'the totality of all that is planned for children and young people throughout their education'

Interdisciplinary Learning

GROW my understanding of how to use buildings, objects, paintings, photographs, diaries, newspapers and more to learn about how people have lived in the past. **GROW** my understanding of timelines by learning about the life of Queen Elizabeth II

EXPERIENCE learning to use natural resources, beeswax, wood, fleece to make light, fire, simple tools and material

TOGETHER visit Castle Fraser to hunt for evidence from the past

GROW my understanding of heraldry and create my own coat of arms to share my Primary 1 **ACHIEVEMENTS**.

TOGETHER learn to grow salad leaves, pea shoots and cucumbers (fingers crossed) and bake soda bread to make salad sandwiches to help celebrate the Queen's Platinum Jubilee

GROW my understanding of plants and weeds as I continue to help to grow food, look after the school grounds and care for the birds, insects and mammals that we love spotting at Methlick School

RESPECT everyone by continuing to remember to be 'Ready, Safe and Kind'

Literacy – Keep **GROWing** my ability to remember how to write letters correctly and listen for letter patterns and rhyme so that I can write more on my own. Keep **GROWing** my ability to remember common and tricky words to help me read.

Numeracy – **GROW** my understanding of helpful ways to count and to remember addition and subtraction facts. **GROW** my ability to remember the value of different coins and notes so that I can count the amount of money needed or change to be given back. Use knowledge of flat and solid shape to create.

HWB – **GROW** my athletic skills and my ability to win and lose when being competitive to help me have fun and enjoy Sports Day .

Ethos and life of the school as a community
